To Whom It May Concern

This is to confirm I have examined the following dog today:

PAULSHARO CHARGER OF AVONFORD (AS4)

Identichip: 956000004278964

Male Yellow Labrador Retriever

This dog is the property of Mrs C.E Winfield, 18 Westfield Crescent, Welford, Northamptonshire NN6 6HY.

The dog has both testicles present in the scrotum and both are normal size, anatomy and texture. He has full dentition present and no signs of an over or undershot jaw.
